About The Caster Guy

The Caster Guy is located in beautiful Green Bay Wisconsin. Our company has been in business since 1984 and The Caster Guy website began in 2009. We distribute casters, wheels, and related accessories all over the United States to homeowners as well as all business types. We sell via the web, phone, and to walk in customers.

The Caster Guy was created to ensure that potential customers from coast to coast are able to reap the same benefits that our local customers have enjoyed for years.

Our mission is to provide you with the best possible experience for your caster, wheel, or related accessory needs. This includes fast friendly service and competitive pricing.

As of July 1st, 2013 The Caster Guy became a division of Garland's Inc., and thus now has access to a full line of material handling products.

Established in Minneapolis, MN, 1944, Garland's has been distributing casters, wheels, shelving, and a wide variety of other material handling products for seventy years. Our strength of service and dedication has allowed our continued growth through the economic hardships of the eighties, and the more recent recession of the 2000's. Our stability has allowed us to expand into markets in Iowa, Colorado, and Wisconsin; giving us the ability to provide greater service to the Midwest.

As one of the top caster distributors in the nation, Garland's Inc. brings the needs of our customers directly to the caster industry's forefront. Being a

long standing member of the National Caster Alliance, Garland's Inc. has cultivated close relationships with some of the most prestigious manufacturers in the caster industry. In addition to the thousands of other manufacturers we offer, we proudly represent the entire line of Colson products: Colson, Albion, Shepherd, MedCaster, Jarvis, Faultless, and Pemco.

Our commitment to customer service ensures Garland's is the team member for your business, and its fast paced changing landscape. All our locations have state of the art shipping and receiving departments offering same day shipping, and blind shipments; guaranteeing your customers will always be your customers.

Providing high quality products gives you the dependability and durable performance that you require, and deserve.

Garland's outside sales force provides efficient, concise, professional on-site assistance to meet your needs. Our sales representatives have years of hands-on experience turning unique issues into practical solutions. Your Garland's inside coordinator is just a call away. Each inside salesperson is prepared to help you with specifications, pricing and delivery information.

We are committed to providing the highest caliber of service and quality products in our industry for our customers who rely on us for their material handling needs year after year.

Hand Truck Features

B&P *Liberator* hand trucks are the strongest, safest and longest lasting hand trucks ever made - backed by an industry exclusive 2 year warranty!

Extensions:

- Choose from traditional channel style or B&P exclusive heat treated tubular extensions.
- Channel available in 52", 55", 60" and 68"
- Tubular available in 62" and 68"

Channel

Handles:

- Large selection of handles.
- Red or blue comfort sleeves on some handle options.
- Exclusive heat treated welded style handles for greater strength.

Stair Climbers:

- Extruded much more durable than cast.
- Extra thick reversible bolt on wear strips outlast all others many times over.
- New E1E Ergo Stair Climber to maneuver stairs with less effort.

Frames:

- 600 lb. vs competitors 500 lb. capacity hand trucks.
- 4 sided ribbed cross members and top logo channel for rigidity & strength.
- Logo channel also allows room for custom company decal.
- Assembled with exclusive military grade rivets used on aircraft won't loosen up.

Powder Coating:

- Exclusive frame and/or stair climber powder coating available in red, blue, green & black.

Side Channel Reinforcements:

- Bolted at top and bottom which spreads out stress to resist cracking or bending of frames. Competitors only bolt them at the bottom.

Wheel Brackets:

- B&P Exclusive extruded brackets are guaranteed for life never to crack or break.

Nose Plate Brackets:

- Extra thick & solid brackets won't crack or break.
- Beveled to inside of frame to eliminate gaps which allow for play and loosening up over time.

B&P components are interchangeable with other manufacturers to make existing hand trucks last longer!

Liberator

Parts and Accessories

With Countersunk Holes

5.5" Nose plates available with or without countersunk holes and/or carpet.

- Shorter design help reduce risk of damage.
- Available in 4 widths: 14", 16", 18" and 24"
- Optional countersunk bolts reduce risk of damage caused by protruding heads on the face of the plate. (Requires different mounting bracket kit).
- Carpet (optional) provides an extra layer of protection from abrasions.

Convertible Hand Trucks

**Senior Convertible
A1-B80-CA2-D5**

B&P Liberator Convertibles are assembled with the same aircraft grade rivets; so there's no doubt that this hand truck can withstand the daily abuse associated with the hardest working delivery drivers. A Liberator Convertible is made stronger and lasts longer than any other truck in the industry -- Guaranteed!

- Frame with logo channel for company decal and assembled with military grade rivets.
- 18" x 7.5" cast aluminum nose plate (CA2)
- Several 10" wheels to choose from in pneumatic or no flat, non-marking Carefree wheels.
- Heavy duty Colson casters with metal wing brake & longer lasting B&P proprietary bearings.
- Extruded axle/wheel brackets have exclusive lifetime guarantee.
- Black powder coated slide swivel tubes make it much easier to place in up and down positions.
- 500/1,000 lb. capacity
- B&P exclusive 2 year warranty!

Optional 18" Deck:

Industry exclusive snap-on or riveted-on 18" wide extruded aluminum deck allows you to safely deliver more product into your stop. Fits any model of B&P Convertible.

#E49 Permanent On Deck
#E50 Snap On Deck

Heavy Duty Appliance Trucks

APPL-1 Appliance Truck with 4th Wheel

- Extra height for tall loads.

APPL-2

Liberator

Walk Ramps

TWIN TOOTH TRACTION

- Twin tooth design provides excellent traction.
- Transports easily in delivery vehicles.
- Ideal for deliveries where space is limited.
- Different widths and lengths to suit any application.
- Apron end or steel hooks to lock onto truck bed for flush-type direct entry.
- Built in handles.

PR-4008-A

Type A - Apron End

- The level-off apron overlaps the truck bed
- Safety chain (18") standard

Type F - Flush Hook End

- Steel hooks lock onto the truck bed providing flush-type direct entry

PRP-2807-F

PUNCHED TRACTION

- Holes are punched in the material, providing superior traction
- Won't collect ice, mud, snow, or debris
- Punched design reduces the weight without sacrificing strength
- Custom widths available
- Apron end or steel hooks to lock onto truck bed for flush-type direct entry
- Built in handles

Type A - Apron End

- The level-off apron overlaps the truck bed
- Safety chain (18") standard

Type F - Flush Hook End

- Steel hooks lock onto the truck bed providing flush-type direct entry

Curb Ramps

Liberator curb ramps allow you to get heavy hand truck loads over curbs without straining your back.

Punched Aluminum Design

- Our exclusive process punches holes with a raised "X" pattern for superior traction.
- Integrated stops keep the ramp stationary on curbs.
- Lightweight and easily transportable.
- Available in high visibility safety yellow. Provides better visibility and theft deterrence.

Curb Up Design

Wedge Design

Add -SY to model #

Available in safety yellow powder coat with skid resistant texture. Increases visibility, traction, and overall safety while in use.
